1. \_\_\_\_\_ (16)

- God calls His people to \_\_\_\_\_.
- Speaking the truth is not just an Old Testament command:
  - Ephesians 4:15, 25.
  - See *also* Proverbs 18:21, James 3:9.

2. \_\_\_\_\_ (16)

- We don't just speak truth, but we \_\_\_\_\_.
- Choosing to make sound decisions comes with difficulties:
  - Galatians 6:9
  - The key to making \_\_\_\_\_ decisions is learning to make \_\_\_\_\_ decisions.
    - Psalm 119:105, Proverbs 15:22, Proverbs 3:5-6, James 1:5.

3. Do Not \_\_\_\_\_ (17)

- Don't \_\_\_\_\_ against each other.
- God calls us to make good decisions because it is what He demands, but also because it is \_\_\_\_\_ for us.

4. Do Not \_\_\_\_\_ (17)

- "perjury" – the crime of willfully and knowingly making a false statement about a material fact while under oath.
  - There is a danger of being honest only when it is \_\_\_\_\_ or at least not overly \_\_\_\_\_.
  - Our job is to \_\_\_\_\_ regardless of the \_\_\_\_\_.
