

What Makes Today Important

1 Corinthians 15:3-8, John 14:6-7

1. Jesus is the Way, Truth, and Life

- “_____” – this phrase was used in an obvious way of tying himself to the statement God made to Moses at the burning bush. Exodus 3:13-14.
- “_____” – *hōdōs* - a road; the route; a mode or means. Hebrews 10:19-20.
- “_____” – *alēthēia* - truth. John 8:32, 2 Thessalonians 2:10.
- “_____” – *zōē* - life. John 1:1-4.

2. Jesus is God

- John 14:9, John 8:32.
- The Lord Jesus Christ can only truly be known in one of two ways:
 - _____ - you confess your sins to Him, believe He is Lord, and live your life in obedience to Him.
 - _____ - you face Him in judgment after refusing to surrender to Him in life.
- Philippians 2:10-11.

3. Jesus was Resurrected

- There are three basic theories to dispel the resurrection:
 - _____ (near death)
 - _____
 - _____
- Four things stand out as the best proofs of the resurrection:
 - The conversion of His _____. John 7:5, Acts 1:14.
 - The re-conversion of _____. Matthew 26:69-75.
 - The martyrdom of the _____.
 - The conversion of _____. Acts 9.

Not only was Jesus resurrected, but He **IS** the resurrection!
