

Three Things Moms Do **Proverbs 1:8-9, 1 Thess. 2:7, 2 Timothy 1:5**

1. Moms _____ Proverbs 1:8-9

- instruction – “*mûwcâr*” – chastisement, correction, discipline.
- listen – “*shâma*” – to hear _____.
 - It is to hear _____ to act, but leaves room for _____ of what is heard.
- God won’t give you a pass for living in sin just because your lost parents tell you to.
- God won’t give you a pass for ignoring godly advice given by godly parents.

2. Moms _____ 1 Thessalonians 2:7

- “Although we could have been a burden as Christ’s apostles, instead we were gentle among you, as a nurse {nursing mother} **nurtures** her own children.”
 - For Paul to use this analogy shows the _____ and _____ he gave to this church.
 - Ephesians 5:29-30
- A good mom is a godly mom, who cares not only about the _____, _____, and _____ well-being of her children, but also – and especially – the _____ well-being of her children.

3. Moms _____ 2 Timothy 1:5

- Paul recalled Timothy’s “_____ faith”, not just his faith.
- God doesn’t have grandchildren, only children, so a mom’s faith can’t get their kids to heaven. But a godly, prayerful mom is a _____ that God has used many times that has ultimately led to the child _____ Jesus.
